

RFP for Engineering for Illinois Valley Fire District

Qualified firms are invited to submit a proposal for engineering services for the water and sewer line expansion for Illinois Valley Fire District, located at 681 Caves Highway in Cave Junction.

The Request for Proposals (RFP) document is posted on the Illinois Valley Fire District website, ivfire.com.

The deadline for proposals is **2 pm on Tuesday, October 8**, and the proposal opening will take place at the Illinois Valley Fire District at that time. Proposals may be emailed to teresa@stoverwriting.com, or mailed or delivered to the Illinois Valley Fire District, 681 Caves Highway, Cave Junction, 97523, so that they are received by the deadline.

This project is being funded entirely by a grant from the Oregon Lottery Direct Legislative Award.
